I am a customer	of Tega Water Serv	ice and I'm protestir	ng against the 5	50% rate increa	ase that the company has announced.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We are protesting this rate increase because we already pay exagerated fees for our water. They are the highest in the region and in the state of South Carolina. We recently had an unknown leak that increased our water bill 4-times the amount. I called the water company to rectify and they gave me zero credit.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \star

Yes, if job allows.
